

Community Leaders and Volunteers:

The Missouri Community Service Commission has the distinct honor of recognizing special contributions provided by media outlets that have helped communities promote service across the state. Nominations for the Sixth Annual Missouri Community Service Commission's Media Partnership Awards are now being accepted. Awards will be presented during the Commission's Annual Awards Banquet on April 12, 2007 in Jefferson City, Missouri.

You know the teamwork it takes to make a community service project successful. No doubt you rely on publicity to accomplish your projects and working together with media can make a positive difference in your local communities. This is an opportunity for you to nominate local newspapers, radio and television stations that support your activities to receive a "pat on the back".

All nominations of media outlets showing exceptional efforts in support of community service projects, donated publicity or staff will be considered for an award in one of three categories, television, radio and print. The top nominations will receive an award at the banquet in April 2007. All other media outlets nominated will be mailed a certificate of appreciation for supporting your activities.

**To nominate a media outlet that has done an extraordinary job of promoting your organizations' events during 2006, please complete the enclosed form with a brief description and mail to: Missouri Community Service Commission, Attn.: Michelle Gabelsberger, H.S.T. Office Building, Room 770, PO Box 118, Jefferson City, MO 65102 .**
